Locations: please *type* in information, please do not *handwrite*. The best way to complete this is to copy addresses from Google Maps and paste them into the form, that will eliminate errors in the mapping. If you want to add more locations than you originally purchased don't worry, you can purchase additional locations here: https://www.etsy.com/listing/797016723/additional-locations-for-custom-wedding?ref=shop_home_active_1&frs=1
